Business manager
Target
3092 North Eastman Road #100
Longview, Texas, 75693

To whom it may concern,

Growing up, I always enjoyed going to Target. I could spend hours shopping, taking breaks with my family at the food courts to freshen up for more shopping! While searching for somewhere to work, I thought of Target. I saw that you were hiring and thought why not work somewhere I love to spend time at? Being apart of such a well-known store, and being part of a store that I, along with many others enjoy, would be such a privilege for me and my family, knowing I would be in a safe environment.

Though I am not old enough to have had an actual job, I have had experience with multiple responsibilities, including babysitting and owning pets. I have been babysitting since I was 13, so for about 2 years now. Families I have babysat for include family members and friends of my family. I am a freshman at White Oak High School, and I am a proud member of the White Oak Band, along with a flag on the auxiliary line. These jobs come with big responsibilities such as getting to practices on time, learning my music, and always working my best. Hopefully these examples prove how hard-working and willing I am in order to get, and keep, this wonderful job I am applying for.

I would enjoy to speak with you about this position, whether over the phone, or in person, so I can show you how much of an asset I will be for you and Target. All of my memories have remained with me as I continue to make more and I would love to create even more with coworkers and customers as I work. My cell phone number is 903-586-5965 and the best time to call me would be between 4:00 and 6:00 on weekday afternoons. If you need, I can call you whenever I am free. Just let me know when you are free, and I would love to chat about this position.

Thank you, in advance, for your consideration and time.

Sincerely,

Aubrey Werner
Applying for a job at Target
